“ We are thankful to have met Mrs. Tiny. She had a warm smile and kindness that we enjoyed each time we saw her. She was so sweet a few months ago when she called Us to taik with Floyd while he was in the hospital. She affectionately encouraged him to "to do the right things" to get better. It was such a joy especially since her own health was failing. What a beautiful, kind Lady.
Our prayers are with all of the Solomon family.

“ Momma T and I meet at church in Columbia, SC. Little did I know what an impact she would make on and in my life! There was an instant connection from the beginning, from her loving smile, warm hugs and don't even get me started on her cooking...she made the best fried cornbread ("ho cakes), OMG!! MommaT loved the Lord and taught me much in the little time she was in my life. I will always remember her sharing scriptures, that would comfort and direct me when life hit a bump as it does at time. I'm thankful that I was able to see her before God called her home and I know without a doubt she's looking down on us. I even talked with her last Monday July, 2nd. Thank you Norman! On that same note, I know she wants us all to know that she's at peace and all is well with her soul. Rest in peace Momma T, I'll miss our daily phone calls, but I will continue to keep you lifted in prayer and know you will get my messages.

God Bless,

Charlene and Art (your husband :) Bartlett
